“ Hi Cheryl and Rob,

So sorry for your loss. My heart goes out to you all. I lost both of my parents in 2012 and know personally the pain and loss you are feeling. Time does help and I hope that you will come to a place of peace. I didn't know your Mom - but knowing you, I am sure that she was a warm and wonderful person. Find strength in the care and comfort of your family and friends. My thoughts are with you.
