“ *My late husband (Jim Ring, nephew) and I shared many fond memories visiting both in Iron Mtn and Florida. My husband and Phyllis especially loved going to the casino. We had some really good laughs on those trips. Jim could never get over the good deal we got on our casino trip to the Soo. And we had an interesting trip in Fla going to the Hard Rock when J had a little problem with the "bathroom". Then when we were planning to go to Hawaii with them somehow the Florida people thought my Jim was Jim And Phllis' son! From then on he always called them "mom and dad" and she always referred to him as her "son". She will be greatly missed.*

“ Dear Jim, Sonya, Melanie and Family,
I am so terribly sorry to hear about Phyllis. She took care of me when I was little for many years and I have lots of fond memories of her from growing up. One of my favorites was going with Phyllis and Jim in their motorhome to the Riverside for pizza while my parents were painting my bedroom. For some reason, I have never forgot that! I also remember her talking about the time she caught my brothers pushing me down the hill in my stroller and then chasing after me (I think she hid that one from my parents for many years before telling them what they did). Although I haven't seen her for many years, I know she will be greatly missed by all who knew and loved her. My thoughts and prayers are with you during the days and weeks to come.
My Deepest Sympathy,
Stacy

“ Jim,
Such a shock to hear about Phyllis. She has been in our thoughts since we left Florida in May. This past winter was the best ever for us with you and Phyllis. So many great memories and hearty laughs. Will always cherish our time together, especially those great lunch dates at Taco Bell.
