“ Phil,
Our heartfelt sympathies and condolences to you and the kids. When I was younger and came up there during the summers, Polly was like a second Mom to me. She was an important part of my life and memories when I was younger and came up during the summers. I am very saddened, but will hold on to those memories for many years to come. I wish I could be there, but my current health issues are a barrier for being able to travel there.
Love,
Dave and Julie Peterson

“ *I remember when I meet Polly & Phil on my first trip to Iron Mountain in August of 1963. That was the year Lynn Erdmann and I graduated from High School. Polly & Phil treated me like family and I will never forget that wonderful time I had in Iron Mountain. My prayers go out to Phil and the family and I'm sorry I could not make it the funeral.*
