“ *Very sad to hear of the passing of Randy. Been awhile since I have seen him, his brothers and of course his father. Many great memories of Randy, his brothers, and Scout Master George during my scouting years. Will always be great-full for all they did for me during some very rough years. Thanks in a large part to the Hirn family, I was able to make it through and have a good life. My sincere condolences to the family and may the Lord receive and care for Randy now. May you rest in peace. Respectively, Chuck Ellis*
