“ I wanted to send my deepest condolences to Joe and the rest of the family. I got to spend a lot of time working with Renee, was the first person she saw when she was admitted to Aurora and worked with her through her hospitalizations. She had a special pet name she called me her little poopbird (but with better language) and I called her my little sassy pants. I want to thank you all for standing beside her, you were wonderful... as was Renee, I miss her and think of her often. God bless... please take care... Robin Taylor from Aurora Baycare
