

## Rhiannon Daugherty

April 3, 1981 - April 3, 2005

"Rhiannon Daugherty"

MAULDIN, S.C. - Rhiannon Daugherty, 24, of Mauldin, died suddenly on Sunday, April 3, 2005, as a result of a motorcycle accident in South Carolina. Rhiannon was born Sept. 22, 1980, in Iron Mountain. She was a 1998 graduate of Kingsford High School, received an associate's degree from Northeast Wisconsin Technical College in Green Bay, Wis., and took a job in her field at Optima Corp. in Green Bay for three years.

Then her love for warmer winters led her to Greenville, S.C. where she worked for an engineering company called Advanced Automation Inc. Her analytical mind and organizational talents were assets they admired and they were grooming her for project management. She would be the first female in the company to ever hold such a high position -she was very well respected.

Rhiannon lived her life to the fullest - she wanted the best, biggest, and loudest of everything. She strived for perfection in all she did. She had everything, she ever wanted or ever dreamed of and lived life to the fullest. She never did anything half-way. It was all or nothing, and nothing was not acceptable. We will miss her every day forever.

Rhiannon is survived by her mother, Danita (Randy) Larson; her father, Garth (Karen Johnson) Daugherty; her sister, Miranda (Shaun Sabotta) Daugherty (and their children, Logan Ethan, and Paige); maternal grandparents, Melvin and Audrey Johnson, all of Breitung Township; paternal grandparents, Vernon

and Joyce Daugherty of Kingsford; and many aunts, uncles and cousins.

Visitation will be held from 4 p.m. to 6 p.m. Friday at the Erickson-Rochon & Nash Funeral Home in Iron Mountain.

A memorial service will follow at 6 p.m. Friday at the funeral home with Dave Grant officiating.

Condolences may be expressed to the family of Rhiannon Daugherty online at [www.ernashfuneralhomes.com](http://www.ernashfuneralhomes.com)

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the funeral arrangements.

“*Danita, Garth, Miranda and extended family's, I can't begin to tell you how sorry we were to hear about Rhia. We hope she lived her short life to the fullest, although that is no consolation to the rest of you. Our daughter Danielle graduated with her and remembers her "zest" for life. God bless you all and we will keep you in our thoughts and prayers.*

“*To the family of Rhia,  
God bless you all with this great loss, no words are expressable for missing such a gorgeous person, so full of life, and so vibrant. I missed her after graduating and leaving town, but throughout the years her smile, and sense of humor roamed through thoughts from time to time. More often than not, Rhia was kind, sincere and just beautiful. I am sorry I lost contact with her, and I am more sorry that I won't be able to get to know her now. god be with your family and may you all have angels around you to help you through.  
Love, Veronica*

“ Danita, Miranda, and Garth - I have asked God "Why" so many times lately, but I know I will never know the answer in this lifetime. The "Why" as to the loss of Rhia is one that is incomprehensible. Thank God she had the life that she had and held nothing back. She lived the time that God allowed her in a way that should make you proud. I will never forget the cheering and fun that our girls had together. My prayers are with you.

“ I am so sorry for your loss. I graduated with Rhia and always thought she was just so intriguing. I remember taking a road trip to Michigan Tech with her and listening to "Usher" on her LOUD stereo system. I also remember going to a dance club in Appleton with her. She was always so creative and full of energy! You couldn't help but adapt her personality and her passion for life when you were around her. Unfortunately we lost touch after high school but I can remember her glow as if it was yesterday and want you to know that she touched my life. You will all be in my thoughts and prayers now and always. My heartfelt sympathies~

“ Danita, Garth, Miranda and Family -  
We were both extremely saddened to hear about Rhia. Rhia was a great friend with so much heart. I will never forget the birthday parties we all attended together during our growing years or being completely amazed that someone had a skunk as a pet. Rhia will live on in our hearts and memories forever. Our thoughts and prayers are with you all. Greg & Jeanne Howell

“ *Danita, Miranda and Family-*

*I am so incredibly sorry for this awful tragedy and find that I am at a loss for words. Rhia was such a special person who was full of life and truly brightened a room when she walked in. This world will be a little dimmer without her here. Just know that our thoughts and prayers are with all of you as we all struggle to understand why something like this happens. I will never forget our days of cheering together and all the memories that leaves me with. God bless all of you and know that if you need anything, we're here.*

*Our deepest sympathy,
