“ Hi Ritchie, sorry about your dad, he was one of a kind. I enjoyed his visits to our office when I was working for Dr. Smoot!! I always had to make sure his appointment was when I had some extra time to talk with him!!! He always had a few words of wisdom. I always loved seeing you, Teddie, Derek, and Butch together, the 4 Catholic school boys, I never worried when Butch was out as long as he was with at least one of you!!! I had a few words with your mom too, when she was worried, or should I say mad at the 4 of you and your nights out, even when you were all in college! Take care, you are a special friend and I always am thankful that you didn't throw Butch to the wayside when he was feeling sorry for himself!!
