“ Dear Olson Family:

My thoughts and prayers are with you during this time of grieving.

Rick was a great guy that I got to know over the 15+ years he painted at the Kingsford Housing Commission. He was always quick to help out and adjust his schedule to meet our needs. Over those years your dad became more than a contractor to me. He became my friend. Our talks were always interesting and thought provoking. I will miss him very much both personally and professionally.

God be with all of you and your families as you work through the grieving process. Remember the good times, forgive the bad and know that he is in God's hands now.

“ Please know we are thinking about all of you and we're very sorry for your loss. Rick used to get a chuckle out of Dan and Angie's antics and it was nice to see him smiling. Please let us know if there's anything we can do to help if you have a gathering in his memory. Sincerely, Janelle and Tim
