“ So sorry to read about the passing of Richard. He was one of the first people I met when I moved to town in 2009 to work for the City of Iron Mountain. We connected each Saturday setting up the Farmers Market and he always had a smile on his face and such a positive attitude even in the face of adversity. Never a dull moment with him around, and I treasured all of our conversations. He was a faithful and uplifting personality. His beautiful birdhouse in my yard will be treasured forever. Prayers to the entire family.
