“ *I was so sorry to hear about Rick's death from Mike and Collen. Rick was always one of my favorite cousins when I was growing up in Chanhassen. He was always in a good mood and fun to be around. I remember your wedding . It was such a great celebration of family and love. You are in my thoughts and prayers during this difficult season of life.*

“ I found out today that my dear old friend Rick had passed away. Although we hadn't seen each other in years, he would still send me funny emails from time to time. Making people laugh was just one of Rick's many talents.

Whether skiing, building a house or sitting in a deer stand, Rick's joy of life always shone through. I remember those high school canoe trips like it was yesterday. Throughout the years, Rick was the most loyal and generous friend a guy could have.

He was also a devoted family man. Sally, Joe, Jake and Jeana - you are in our prayers. God Bless you,

“ Sally and family,

Bill was picking up old pumpkins for the animals and was shocked to find out about Rick, he said he just couldn't believe what someone had told him. He has so many great memories from doing carpentry to hunting etc.... The last time we saw you, you were still in Annandale (yellow house when the kids were still young). We also remember being at Joe's baptism party (or some celebration) at your other house. We were in Annandale at a lake and we HAD to go see Rick:) We also remember being at Joe's baptism party (or some celebration) at your other house. The years pass so quickly and we lost touch. Rick was a great guy and Bill has always talked about the "Klinglehutz" family fondly. Please know that we are thinking about you, praying for you and trusting God has his loving arms around Rick and you! We are both Deeply saddened by his death, he was such a great guy! Bill is bow hunting in a tree right now, I know he's hoping for a deer but I also know he is re-evaluating life and thinking about his old buddy Rick!

*God Bless,

“ *Sally and Family,*

My thoughts and prayers are with you and your family during this time. May God's peace and comforting arms be around you all. Rick was a great guy, I could tell this from the minute I met him. Always had a smile on his face no matter what the situation. He could always keep a smile on your face. I could also tell that his family meant the world to him. Both you sally, and your children. The strength and faith your family had during Rick's time of death gave me goosebumps. It made my strength even stronger. I have no idea how I would handle being in any of your positions. Knowing that it was God's timing and part of his plan got you through those tough moments. I know that there will be tough times to come but I have no doubt that God will carry you, in His arms, through each and every moment.

I assure you that I will never forget Rick's face. I'm sorry I didn't have the joy of knowing him longer. Thank you for letting me be there for a short amount of time to share in your sorrow. My life will be forever imprinted by the "Klingelhutz's of Kingsford"

“ I haven't talked to Rick in a few years, We would go up to the cabin in northern Mn. with Rick and Tom to do some hunting and a lot of joking around. When he was on the job site he would always have a positive attitude and would really make work seem like a day in the park. That is what I remember most about Rick, that and those Vikings game, It takes a special person to be a Vikings fan year after year.

My thoughts and prayers go out to the family, he will certainly be missed.

“ We were very sorry to hear of this loss. Although we only had known Rick a short time, he was a wonderful man. He helped to make the partnership between Habitat for Humanity and the Building Trades program a huge success. He took our partner family under his wing and taught her how to build a house. His smile and laughter will be greatly missed.

“ I was the person who was responsible for arranging for Sally and her friend to meet up with Rick and Steve Hanson for a new years eve party. Later that year I was at a broom ball game and there was Sally at the game. I found out then that they were dating and later that year they were engaged. At their wedding they had match books with my name on it as the match maker.

We were saddened to hear of Ricks passing. I experienced the same illness some 35 years ago and was lucky enough to come out of it with no ill effects. I know what my family went thru those 3 days when I was in intensive care and can imagine what Ricks family went thru. I know that Rick being the only son will be not only missed by Sally and kids but also by his parents Tom and Kay Klingelutz. Our prayers are with the family.

May your faith give you the strength thru these times.

“ We were sad to here of your loss, Sally we will keep your family in our prayers, Rick had endless energy and a gift of keeping things positive when things got difficult, we were learning so much at that time and his jokes would just lift you up. He had a way of taking things to the next level and making it work out. I have drawn on that many times and had admired him for that. I am sorry I did not get a chance to tell him that. It was a treat to be around when you two meet for Rick lived with me after highschool. From day one you two seemed to be a pair and he was so happy being with you. Sally I can only imagine how difficult this is for you, I am a better man because of Rick and I will always thank your family for that. We will pray God comforts your family and gives you strenght to handle the loss of Rick. Steve & Jan Hansen

“ Dear Sally, Joe, Jake, Jeana and extended family,
We are so very sorry for your loss. Although we didn't know Rick as well as Sally and the kids he was always...ALWAYS...friendly and welcoming. I remember the fun Kingsford music float building times in the garage/workshop and how Rick's expertise and sense of fun made everything so much easier. Our prayers will be with you at this difficult time.
