“ I am so very deeply saddened by Bob's passing. He was a wonderful, fun guy who I had the great pleasure of getting to know well when I worked for the Aging Unit. He and Isabelle devoted many many hours to the unit and I have great memories of many trips to Wausau and Rhinelander with Bob. Bob always said I was a good driver and we had a few adventures we laughed at every time we got together. We lost our headlights in a blinding snowstorm, got a ticket for dirty taillights, and sped past a sleeping cop on just three of those trips. I loved the way he threw himself into everything. I have contacted the Aging Unit and asked that an annual volunteer award be started in his and Isabelle's names. I am funding this award for the next 20 years with a grant of \$2000. I hope that his contribution will be remembered annually through this grant with volunteers being listed on the plaque each year and an individual award to the "Anderson Volunteer of the Year". I loved them both and often referred to them as my second parents because they were so very special. My deepest condolences to their family and friends. I only wish I weren't so very far away.
