“ *Belongie family,
We were so saddened to hear about your Dad. Our hearts and prayers go out to all of you. We remember the fun times we had when our families got together. I remember your Dad having to turn the car around and come back to our house because Bruce was hiding in the back seat when you were heading back home. I think Mark tried that one too. My mom and dad know that they have lost a friend. Please know that we have made a contribution to the Dickenson Cancer unit Loan department in your dad's name. Our deepest condolences,
Wayne and Jane Cassell

“ *Bob Belongie Family,
I had the pleasure of meeting Bob through work at WE Energies. I happened to be one of those "Milwaukee guys". I first met Bob in the early 80's. Bob was always the kindest, caring and most genuine person you could ever meet. I always said Bob was a prince of a guy and I was fortunate to know him. My thought and prayers to the family.*

“ *Dear Mark, Cindy, Diane and Cami,
I was so sorry to hear your dad had died. I remember buying an old fashion Radio in a stand up piece of furniture and he helped Roman carry it over to our house.
I wanted to come to the Visitation but the Wind and cold was terrible, but please know that my thoughts were with you.

“ God places individuals before you for a reason.
By God placing Bob before me I was to learn how a true gentleman carries himself, how to carefully and attentively listen to others, and how to live life without fear.
I have been truly blessed to have been in Bob's presence and will never forget the time spent with him.

“ So sorry to hear of Bob's passing! I worked with Bob for about 13 years and really liked him. Bob and Gloria seemed like a perfect couple. Diane, and Cami (who were the only other family members I met) inherited good genes and seemed to take after their parents. Bob always seemed to be smiling when I saw him. A truly nice gentleman!! I'll miss him.

“ Bob was such a kind caring individual. He and Patti helped for many years with the Make a Difference Day Children's Christmas Party. He even donned an elf hat and played games with all the children. He will be greatly missed by all who had the opportunity to be a part of his life. I am saddened that the world has lost such a wonderful person. My condolences to his family. My you all find peace in knowing that he is in his heavenly home and no longer suffering. “ *My sympathies to the Belongie Family. Bob truly was a "guiding light" to those who worked with and knew him. I worked with Bob for several years until he retired. The memory of Bob's careful words, and advice, live with me now and will long into the future. He continues to be a model of how a good man treats people.*
