“ *He was the greatest father-in-law anyone could ever have. He taught me honesty, loyalty and unconditional love. As we muddle through life, we go through sunshine and shadows. HE was my sunshine. Miss you DAD.*

“ *You can shed tears that he is gone, or you can smile because he has lived.
You can close your eyes and pray that he will come back, or you can open your eyes and see all that he has left.
Your heart can be empty because you can't see him, or you can be full of love that you shared.
You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday.
You can remember him and only that he is gone, or you can cherish his memory and let it live on.
You can cry and close your mind, be empty and turn your back, or you can do what he would want- Smile, Open your eyes, love, and go on.*

I love you Daddy and will miss you.

“ I knew that morning, God was going to call your name.

In life I loved you dearly, in death I do the same.

It broke my heart to lose you, you did not go alone, for part of me went with you, the day God called you home.

You left me beautiful memories, your love is still my guide, and though we cannot see you, you're always by my side.

Our family chain is broken and nothing seems the same, but as God calls us one by one, the chain will link again.

We will forever love and miss you Dad.
