

Robert "Bob" Harry Davidson

November 10, 1942 - July 20, 2025

Robert "Bob" Harry Davidson, 82, of Felch entered into the presence of his Lord and Savior Jesus Christ on Sunday, July 20, 2025, while visiting his son in Traverse City to enjoy some baseball.

Bob was born in Chicago, IL, on November 10, 1942, son of the late Harry and Lucile (Bayles) Davidson. After graduating from Felch High School in 1960, Bob completed his bachelor's degree in physical education from Central Michigan University in 1967, and then he earned his Master's Degree in Arts and Education from Northern Michigan University in 1979. During that time, he also served in the U.S. Army.

On August 15, 1969, Bob married the former Darlene Kangas, who preceded him in death on November 8, 2014; they were married for 45 years. Bob and Darlene enjoyed traveling for Gideon conventions, managing baseball teams, and spending time with their families. After Darlene's passing, Bob reconnected with a Felch classmate, and on September 18, 2016, Bob married Pat Nylund. The two of them enjoyed exploring different restaurants, going to concerts, and attending many conferences for the church. Pat and Bob shared almost nine years together.

Bob began teaching at Felch High School, which transitioned to North Dickinson, where he taught physical education and history for 30 years. Bob's

athleticism and love of sports kept him active. He loved running, working out in the school gym, and was always ready for a game of badminton. At North Dickinson he was known as Mr. D and was the eternal coach, always supporting and encouraging students in athletics and academics. He touched many lives throughout his teaching career, retiring in 1997. He actively supported the Nordic athletic program, attending many different sports, along with scorekeeping at basketball games and announcing or running the scoreboard at football games.

Bob had a passion for baseball. He played for Central Michigan University and in more recent years enjoyed attending the annual alumni game. Playing and managing the local Felch community team with enthusiasm provided many happy memories. He spent many joyful summers coaching and playing the game. He continued to play in the Men's Senior Baseball League in Arizona well into his seventies. A devoted Detroit Tigers fan, Bob loved everything related to America's favorite pastime.

Bob also had a steadfast faith. Reading the Bible each morning and sharing a devotional with his family was the start of his day. He was a member of the Abiding Word Free Lutheran Church. Bob taught Sunday school for numerous years and served with The Gideons International for 50 years. He witnessed at the local jail for many years. Bob's Bible was always with him; a well-worn treasure filled with important events, lessons, and notes.

A true "Yooper," Bob enjoyed being in the woods. Deer hunting, fishing for brook trout, and logging were some of his favorites. After retirement, Bob logged in the woods full time, happy to spend his time in the great outdoors.

Bob was a devoted family leader and enjoyed supporting those he loved. As a grandfather, he frequently drove to his grandchildren's sporting, musical, and school events to show his love and support. Bob loved connecting with people

he cared about. His children, grandchildren, friends, and relatives can all attest to the uplifting power of his loving calls and letters always ending with the encouraging statement "Stay in the word."

Bob will be deeply missed by his wife, Pat; 2 children, Candy (Scott) Schoenborn and Joshua (Heidi) Davidson; 4 grandchildren, Emma (Willow) Elser, Ailie Schoenborn, Anna Davidson, and Paul Davidson; 4 siblings, Ed (Janet) Davidson, Doug Davidson, Ann (Randy) Sheldon, and Murial (Jim) Bratcher; and many more family and friends.

Bob is preceded in death by his parents, Harry and Lucile; his first wife, Darlene; and a sister-in-law, Cynda.

Visitation will be at the Erickson-Rochon & Nash Funeral Home, 901 Carpenter Ave. in Iron Mountain, from 4:00 to 8:00 pm on Wednesday, July 30, 2025. Visitation will continue at the Felch Community Center, 4243 Highway M-69 in Felch, from 10:00 to 11:00 am on Thursday, July 31, 2025, with Rev. Tom Schierkolk officiating the funeral service at 11:00 am. Burial will be in Felch Cemetery.

In lieu of flowers, memorials in Bob's name may be made to The Gideons International or the Association of Free Lutheran Congregations Home Missions.

Condolences may be expressed to the family of Robert H. Davidson online at www.ernashfuneralhomes.com.

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the arrangements.

“ It is with great sadness that former teammate and friend Bob Davidson passed away.
Pat, Josh, Bob's family and friends. I'm so sorry for your loss, condolences to you all. Bob was a special teammate and friend for over 60 years. We played baseball together at Central Michigan University.
Bob will be greatly missed. We shared many of our experiences at CMU and I just enjoyed coming to the U.P. of Michigan to spend time and to see Bob. I would also meet Bob at many baseball events around the United States, both in Arizona and Florida, as he continued playing senior baseball into his 70s. May our wonderful memories be our peace and strength during this trying time. God bless his soul, may Bob rest in peace. Bob will be forever missed, but never forgotten.

“ I had the pleasure of going on a trip to Israel in 2022 with Bob and other traveling companions. I have great memories of that trip together. Bob was always the first one up in the morning having his devotional time with the Lord.

Bob and I gathered stones together at a brook in Elah Valley where David killed Goliath. His love for the Lord is especially memorable to me. Throughout the trip we had great conversations and I so enjoyed his presence!!

I am so sorry to hear of His passing but am assured that I will see him again someday in Glory as my beloved Israel travel companion.

My sincere condolences to the family!! He will be greatly missed.

“ Bob is the best of the UP and everywhere else as well. We were camping on Friday, July 18 as Bob was heading down for the weekend to see family and watch a couple of baseball games in Traverse City, his final visit. He left me a voice mail message, "Larry, I am in Indian River eating an omelet". Bob did enjoy having a good breakfast. Over the last few years, we met several times for breakfast, me coming from Roscommon and Bob coming down from Felch to visit with his son Joshua and family. These breakfast/visits were wonderful and special. I met Bob at CMU during the late 60's. He was very active with CMU Baseball and also played on the CMU Club Hockey Team. We became good friends then along with his good friend and fellow Yooper Leo Durocher, who also played baseball for CMU and was the best player on our hockey team. Bob graduated before I did, and we lost track of each other. I reconnected with him after over 50 years on our way home from a Western camping trip. I stopped at North Dickenson HS as we neared Felch and inquired if they knew anything about an old friend named Bob Davidson. Well, needless to say EVERYBODY knew Bob Davidson. They quickly contacted him, and we met up within the hour. We have been meeting/breakfasting, texting and talking on the phone ever since. Both my wife and I are extremely upset over his sudden passing. I feel blessed that we renewed our friendship, really blessed!! He will be terribly missed.

“ To the entire family of “Mr. D” or because there were two Mr. D’s at ND he was also affectionately called Bobby D.

Mr. D was an amazing role model in being a Christian but also as a kind human being. I remember being a child and seeing him jogging down M69 for exercise, in the winter I remember him running laps around the gym in a “sauna suit” lol

I was literally telling someone a few weeks ago how much I loved Geography class, and guess who was my teacher!! I remember him having us color maps with colored pencil and doing topography and learning about each continent! Great stuff!!

Mr. D was about being the best he could at being physically fit, generous and kind with his time, committed to his family and his faith. Everyone should be so lucky as our community to have him in our lives.

Sending my sincere sympathies. Bobby D was a good man and will be an incredible Angel.

Katie and I truly admired your Dad. He and Darlene welcomed us into your family when Heidi married Josh. How blessed we were to be in the warm Davidson arms.

We thought of Bob and his love of the animals and trees of the forest. Katie and I bought memory trees to be planted in a woods that needed growth. They will grow strong and tall, and their seeds will grow new trees. This new forest will provide homes for animals, and quiet places for solitude and one's personal reflection of God's blessings. Bob's legacy will live onward in our hearts and nature.

“ Bob was the most likeable, descent man I ever had the pleasure of knowing. We played baseball together for Felch and not only was he a great teammate, he was the best batting practice pitcher I ever saw. He always, always threw strikes. He was literally a strike machine. “ Bob was my godfather, and although we grew apart for a time, reconnecting with him and Darlene when I was 18 was a true blessing. Their love and presence came into my life just when I needed it most.

Bob’s strong Christian faith shaped all of who he was. His example helped guide my own journey and planted seeds in my heart that continue to grow. His belief in grace, service, and hope left a deep imprint on my life.

I will miss him and I’m grateful to have known his faith, his love, and his steady encouragement. He made a lasting difference, and I’ll carry that with me always. In the days since hearing of his passing, I keep imagining him looking at the face of Jesus and hearing “Well done good and faithful servant.”

All my love and prayers to the family during this unimaginably difficult loss.

“ Our dear Davidson Family on the loss of Bob! Was a past! Talk about multitasking with a purpose! So much info (never knew). He was a giant who did EVERYTHING. For EVERYONE. 1st Rock Star! Taught us some things. Did you NOT realize he knew his music could CALM our little growing minds very early. He DID not ship him off the office, to someone who really didn't know us, but he knew us! He did! Cause he saw us since birth! We trusted Mr. Davidson! He made this world a better place. For decades! We are glad he cross-ED my life. He challenged, complimented, and of course sent me to the office. To Mr Lemin. Scarier than Dorothy. going to the Wizard of OZ. I stupidly scratched my old old marked up desk! This is by brother Doug,

I was the middle of 5 kids. Bob & Ed were born a year apart and 5 & 6 years older than me. They were the quintessential Big Brothers, always looking out for me.

They taught me to play baseball & basketball and to work in the woods and drive a car & tractor. They coached the Felch babe ruth League team when I played.

Bob played for Felch in the Wishigan League for many years. one summer he had an emergency appendectomy in the middle of the week. Of course, he suited up and played that Sunday, well before he had fully recovered. It wasn't his best day at the plate but he played all 9 innings.

When Darlene asked what he did in the Army he said, " I was the millionaire". She asked what he did with the money! He said, " I gave it all away." Now the rest of the story: He was a clerk in the base payroll office (probably because he learned to type at FHS.) Every month he went to the bank to pick up the cash payroll for the entire base. So every month he was a "millionaire" until he gave it all away. His other role there was to play on the base baseball team.

He didn't just like fishing for brook trout. The family had a contest each summer to see who would catch the most. After baseball, deer hunting was his next favorite activity.

He had a vast collection of country music. He & Ed are a big reason I am a fan too, & indirectly, I suppose, my 4 children. Not to mention our youngest granddaughter who has already been to a Lainey Wilson concert. My cars Sirius channel is on 61 Willies Roadhouse.

At 82 many of Bob's friends have died before him. 2 in particular were special to him. Vernon "Mink" Steele was his high school classmate, trapping partner and fellow logger. At CMU, Leo Durocher (a Yooper from Freda) was his roommate, teammate, and fellow piece cutter. They cut rough popple around Mount Pleasant. They lived off campus and supplemented their diet with venison (high speed beef). Thanks in part to a successful deer hunt on Jack & Donna Cootware's farm.

He always said to work hard. When I helped him cut peeled popple he started the work day by cutting 8 or 10 sticks and said, "that is for the boss". After that was done, then he started counting for himself. After piling a particularly heavy log he would say, "that will put lead in your pencil".

Bob worked in the woods his whole life except while in the Army in

Germany. After he retired from teaching he fired up his Iron Mule and did it full time. Later he bought an even bigger skidder & ran both of them, sometimes with the help of our Dad. He got his logging jobs mostly by word of mouth, often small jobs. When he cut by a subdivision near Iron Mountain he said he was "setting standards for the industry" because he had blacktop skidding trails.

Mom thought one of the things he did most in the woods was get stuck! There is always a wet spot you just can't get through and he knew how to find them.

It seems ironic for a man who loved cutting all kinds of wood products that he detested cutting firewood! He disliked making firewood so much that he quit heating with wood and removed the wood stove from the basement so he wouldn't be tempted to start again.

He bought a new 1966 or 1967 Ford Mustang and put around 300,000 miles on it, I think. I have to wonder how many of those miles were at or below the speed limit. He always seemed to be on a tight schedule, mostly getting to sporting events.

In August of 1967 he let me take the Mustang to MSU for my week of orientation. I parked in a lot across the street from the State Police headquarters. I thought it was a safe place. When I was leaving to go home, I noticed the hub caps had been stolen! Bob teased me more than once that I "borrowed his car & sold the hub caps". Nevertheless, he loaned it to me again in July 1979 to visit my fiance' in Muskegon. That time the car came back in one piece.

He upstaged me when it came to marriage. C

Doug Davidson - July 24, 2025 at 06:01 PM

DD

Brother Doug continues with the marriage story.

He upstaged me when it came to marriage. Cynda & I got engaged in the spring of 1969. He & Darlene got engaged after that but got married in August before we did in September! Cynda's older brother did the same thing. Engaged after us, married before us.

Finally, a life high light for both of us was going to Game 5 of the 1968 World Series in Detroit. He & I both applied for 2 tickets. My envelope won. He picked my up at MSU (in his Mustang). Tigers were down to St. Louis 3 games to 1 in the series. My favorite player, Al Kaline, drove in the game winning run. Tigers went on to win the series for the first time since 1945 also against St. Louis.

We had parked in a commutor lot and took a bus downtown. It was kind of intimidating to drive past all the burned out houses and store front from the 67 & 68 riots.

Lastly, Bob boldly lived his faith in Jesus. This is another example of him fulfilling the role of Big Brother. He has already heard Jesus say, "Well done thou good and faithful servant."

Doug Davidson

Doug Davidson - July 24, 2025 at 06:13 PM

DD

Brother Doug again P.S.

Bob introduced me to the Mepps 1/8 ounce spinner for Brook trout. They really work.

Christmas vacation of 1966 Ed, Bob, Dad & I cut spruce & balsam pulpwood and cedar posts on State land off Forstrom Camp road, West of the house. When it was time to go in the morning, Bob would tell us, "Its daylight in the swamp."

As the proprietor of Davidson Logging Bob often won the Employee of the Month award unless Dad edged him out for it. He gave us Tee shirts and Ball caps with the Davidson Logging logo.
