“ My brother Dan and I would ponder our exterior maintenance projects at Spread Eagle each year and the result was always the same time to go see Bob to get some of our special formula mixed - and then walk out with all of the important specialty products Bob would suggest for achieving the best results. Such a genuinely nice human being in all respects. We missed him when he retired and we will forever have fond memories of him as our summer project partner. God Bless.

“ Kalen & Family,
I was deeply saddened to hear of Bob's passing. Rightly or wrongly, I tend to judge people by their sense of humor. Bob tops the list. Subtle, intelligent, with a trace of amusement. It was always a pleasure talking with him. With sincere condolences...

Bob and I spent many fine hours from the North Park days on. Going to games and places via car or air enjoying the moment without a care. He was a great guy who never complained and full of fun that wasn't restrained. I miss his smile so real and fair we will meet again this I declare.
