

Dr. Robert Gust Koski D.O.

July 26, 1946 - April 20, 2024

Robert “Bob” Gust Koski of Iron River, Michigan passed away on April 20, 2024 at the age of 77.

Bob was known to many as “Dr. Koski”, to his family he was simply Dad and to his wife of 55 years, “Koski.” Bob and Carolyn met at Northern Michigan University and married soon after graduation. Bob wasn’t long into his career in the insurance industry when he decided to pursue a career in medicine. Anesthesiology was Koski’s calling, and he served his community well. Throughout the years, words of appreciation from his many patients made their way back to the family. It was clear he loved caring for patients and did it with a sense of humor and great compassion.

Koski loved the outdoors, “camp,” hunting, lake life and most of all, skiing. He was proud of his Finnish heritage and loved a good sauna followed by a plunge in Chicagon Lake or a roll in the snow. You could find him hitting the slopes at his favorite ski resort, Ski Brule or enjoying the great outdoors at his camp, the Elmwood Hunt Club. Afterall, he was the unofficial Mayor of Elmwood. He was lucky enough to take a bucket list hunting trip to Namibia in 2019 and was proud to bring home an Oryx and a Steenbok.

He is survived by his wife, Carolyn and children, Karitsa (Joel) Kassabian, Meri (Keelan) McNulty, and John (LeeAnn Kirkpatrick) Koski, and

grandchildren, Mina and Julian Kassabian, Caleb, Brendan and namesake, Robert McNulty. He is further survived by many, many, many nieces, nephews and cousins.

In lieu of flowers, the family requests a donation be made to Pine Mountain Ski Team in Bob's honor. Checks can be mailed to Pine Mountain Ski Team C/O John Bittenger at 1120 Iron Mountain Street, Iron Mountain, Michigan 49801. And, if you find yourself on the slopes of Ski Brule, take a moment to carve a turn for Bob.

A memorial service will be held on Saturday, May 4, from 3-6 pm at Erickson-Rochon & Nash Funeral Home located at 901 Carpenter Avenue, Iron Mountain.

“ I first knew Bob from our work in the healthcare community, including Dickinson County Hospital. He was a great physician. His professional abilities were only surpassed by the kindness and caring he showed to the patients, staff, and his colleagues. We later were fortunate to be neighbors with Carolyn and Bob at the lake. Our thoughts are with you, his family and friends. He will be missed. Judi & John Bjork

I extend my deepest sympathy to all of you. I had the pleasure of knowing Bob first as an anesthesiologist who calmed my nerves and had me laughing before surgery with his humor. Later I knew him as a fellow skier and racer as well a father who was proud of his children. Lastly, I knew him as the fun host of many parties at your home. The last time I saw him was at a doctor's office. Carolyn and Bob walked out of the patient area and into the waiting room. Bob had a big grin on his face and a lollipop in his mouth that he had apparently gotten for good behavior. He was grinning from ear to ear and acting like the grown up kid he often was. It was the last time I would ever see him but I think I will forever remember him with that big smile on his face. He will be missed but will live on in your memories and I know there will be many "Bob stories"

*Dear Carolyn,
Please except my deepest sympathy to you and your children, and their families. I can still hear his voice and his laugh as he saw patients at the old DCH. To say he was a dandy is putting it mildly LOL! That is a perfect picture of him! Sending hugs.*

Worked with Koski for several years at DCH and later Aspiris in Iron River. He was like a big brother to me. We had several parties at his cottage and always treated everyone with respect he wanted always to show us a good time. I was heartbroken to hear of his passing Koski was a gentle giant and his patients always came first. You will be missed here on earth Koski rest in peace!
