“ I did not learn of Mr. St. Louis' passing until this weekend at my class reunion.

He was my Principal at the Quinnesec elementary school. He was also the first man I looked up to. He earned respect by the way he treated us. Always compassionate, always fair, always someone you could trust. What a fine role model for all the lives he touched. Also, many years later he attended both of my parent's funerals. Again showing his compassion.

Lastly, he sent me a very nice note congratulating me on a recent award I received.

He was so much to so many.

He will be missed.

“ *Peggy & Family: I was recently thinking that the next time I return to the Midwest I would look up Bob St. Louis as I have fond memories going back to when he was my teacher in the 7th grade. That year our family was in bad shape financially as the Ford Motor Co. had moved out of the area about a year before. Bob showed up as Santa Claus on Christmas Eve and bestowed gifts on everyone in our family - a truly awesome experience. It deeply touched everyone - especially my Dad & Mom, Henry & Evelyn Beauchamp. We lived at 404 Lyman St., in Kingsford, and Elmer & Bernice Paquette lived right across the street. Elmer, Bernice, and possibly a few other cousins - along with Bob - collaborated so the family of Henry & Evelyn Beauchamp would have a joyful Christmas. And so it was! It became an indelible memory for all of us - a family of 8. Godspeed, Bob! Your presence in this world brought much light & love to a great many who have known you as a "loved one." You certainly were about your Father's business!*

“ I was saddened to hear of Bobs passing. Bob was my Jr. High principal and I have always known and respected him as a man of integrity and principle. Bob served on our vocational scholarship committee and was an excellent member. His wisdom and insight will be greatly missed. We will be sending a donation on behalf of the staff here at the Technical Education Center of the Dickinson Iron ISD. I know Bob was a man of faith and I trust that he is with Christ for eternity. I pray that the love and peace of Christ will be with all of the St. Louis immediate and extended family

“ Never ever was there a kinder, gentler, sweeter man than Mr. St.Louis. He was my grade school principal at Garden Village, a very long time ago, and after so many years and so many other students, and all the many names and faces he must have encountered.... the first time he saw me (after a long, long time) he said without any hesitation.... well, little Carol Henry! That says everything about the educator he was, he remembered everybody, he made every one of us feel special. He loved his work and it was apparent. In the last several years I've had the pleasure of seeing and working with him through The United Way and was so shocked to hear the news of his passing. I will always have the greatest measure of respect for him and will truly miss seeing and talking with him. God Speed Mr. St.Louis! Deepest Sympathy, Carol Ries

“ Dear Peg and Family,

Like everyone who knew him, we are saddened by Bob's passing, but are secure in the knowledge that he is with the Lord. Never has there been a greater gentleman in the truest sense of the word than Bob St. Louis. Kind, compassionate, friendly, helpful, honest, true, devout, faithful...these and many similar terms just touch on the character of this most remarkable man. He was my principal in Garden Village, my boss at Kingsford Junior High School when I came to Kingsford and again my boss when he served as superintendent. Peg, you and Bob have been a devoted couple who shared in giving to your family, friends, church and the community in so many ways, and provided a shining example of what the partnership of a great marriage can be. A man like Bob will be missed by all who knew him, and cannot be replaced. You all are in our thoughts and prayers during this difficult time. May the Lord continue to hold you in the palm of His hand.
