“ Bob I messed up the day of your passing the other day, I put 13 instead of 15. Sorry. Honey I miss you so much. But I know you are healed from your cancers and thats a very good thing. I watched you suffer and it's easier to understand and accept your passing. Although my pain doesn't heal as quickly. I love when the great grandchildren talk about and ask questions of you. You are thought of every day, these thoughts will never go away. I love love love you
