“ Al was always going to “wup” me, when I asked when he would say not today, his shoulder was sore, I would wait a week and ask again, now the other shoulder was sore, there was always something.

“ *Heidi and family. Words cannot express my admiration respect and love for Al. He was an absolute 10. Never asked never wanted. He was so so instrumental in helping the rink through troubled waters to now prosper today. He was instrumental when it was first built. I will miss his slow sarcasm and quick wit to make one feel at ease. God bless.*
