“ *Aunty Geri, Jane & Weber family~We are sorry for the loss of Bobby Allen. He stopped by our house not long ago after helping his father in law put in windows and told us some funny jokes and was always helping someone. We really enjoyed our visit with him and he was excited about the birth of his new granddaughter. In grade school and he was always the "cool" bus driver that would play the best music! He was a great guy and will be missed.*

“ *Ian and Cody,
We wanted to express our deepest sympathies to you both. Your dad was a terrific guy. We remember so many times getting together to visit, and the many laughs that we shared. We also remember the many hunting and fishing excursions we went on together. There was one trip when your dad, Jerry, Jeff Hendricks, and I went to the Ponds fishing. All the mighty fishermen didn't catch a thing, but I on the other hand caught five fish, three Perch, one Bass, and a Walleye!!! We laughed hysterically about it! Jerry and Bob were great friends. They spent so much time together. We love you, Weber!! There are so many more memories we shared with your dad. He will forever be remembered in our hearts.*

“ *Ian and Cody,
I can't find the words to express how truly sorry I am for your loss. You both know that our dads were close, and from that we grew up knowing that the bond they had was a very special one. I have so many memories of your dad and of all the time our families spent together, that I can't pick just one. However, I do remember running inside the house in Aurora scared to death because I thought one of the cows died. It fell over right in front of me. Bob and my dad ran out there with me and laughed hysterically when they saw she was having a calf!! Music and laughter were the two biggest things I remember about him as well. Your dad is, was, and always will be in my heart and memories. He is not a man that will be forgotten. He touched many lives, and made a dent in them so he would be remembered. Please contact me if you need anything...no matter how big or small.
Much Love, Fredy Lynn*

“ *I am truly sorry for the loss of your brother Bob. After seeing his picture I do remember him and all the times the neighborhood went to the river to swim and use the rope. He and I are the same age. We had a lot of fun as kids. I can understand a little because my brother died 3 years ago this November at the age of 52. It is a great loss for you and your family and he will be missed by many. If there is anything we can do please let us know.
Love your friends from across the river. Ken and Faye*

“ *To Bob's family,
I am so sorry. I hope you have stored many good memories and good times to get you through. I know Bob could be alot of fun. We never know how much time we have, some have more than others, so we need to make the most of the time we have with each other, especially family.
