“ Words cannot express the deep sorrow we feel in the loss of our cousin. Despite the fact that we live 1900 miles apart...our family tree has the same roots and when a limb falls...we all feel it. I remember when we were teenagers riding in a car Robyn was driving. I asked her why she was going so slow on the dark country road we were traveling on....she said it was because deer jump out frequently as one appeared in the road ahead of us. She just looked at me and smiled. She knew we didn't have that problem in Seattle. :)
