“ Dear Linda, Randy, Holly and Jesse and Family,

My deepest sympathy to you all. What a wonderful man Roger was. A joy to talk with. He was always someone that when I was lucky enough to converse with him, that I walked away lighter in spirit! My children appreciated his Wednesday ice cream treats left in the freezer!

Keep his memory alive, by sharing each of your special moments with him.

It puts a smile on my face to think of my dad and he conversing in heaven.

God Bless.

“ *I will never forget the day Uncle Rodger gave me a ride home after I got on the wrong school bus. My friend Mark insisted that the bus he took was also the bus I was suppose to take. Being only in Kindergarten it was all big and scary. Once I knew I was on the wrong bus I started crying but the bus driver made arrangements and he dropped me off at Ed's Mobile where Uncle Rodger worked. What a welcome site to see. He bought me a candy bar and gave me a ride home. Thank you Uncle Rodger for saving the day!!!*
