“ Hi Patti and David,  
I worked with your Dad from the day I started with Hanna in 1951.  
He was a great guy to work with and we had many good times  
together. I was fortunate to have lunch with him and the Kotonias  
this past summer at Famers. We had a good visit and will miss  
doing that the next time we are in the area.

“ *Patti and Family: My deepest sympathies for the loss of your father. He was such a great man. We always enjoyed his visits to the office - he was such a kind, considerate and jolly man. I remember when we used to greet at church, he would always come to the 8am service. He would come at the same time each week. He would take off his rubbers and place them in the same spot, shake our hands and have a little conversation and then sit in the same pew each week. We used to say- he is the nicest man. He will be greatly missed. I am glad that he got to enjoy the birth of his great-granddaughter. I am sure that meant a great deal to him. Again, my thoughts are with you all, Tammy Smoot*

“ *My deepest sympathies on the loss of Pete, one of the nicest men I ever met. My father played golf with him on Wednesdays at Pine Grove C.C. for many years. I had the honor of being part of their group a few times and was taken by how thoughtful and generous Mr. Peterson was. What an outstanding individual. He will be missed not only by my father and myself, but I'm sure by countless others. Sincerely, Bob Morin Jr.*
