“ Char and Jill, I was so sorry to hear of Ron's passing, I've missed you all. You may not know it, but you were such an inspiration to me as I watched you with Ron. Your tireless devotion, love and dedication to him was incredible and your cheerful presence always made my day so much nicer. Jill, I truly didn't believe you and your Dad had conversations for awhile after I started working. But when I really started watching you two interact, it was like a miracle happening, and I was always amazed at how you could get him responding, opening his eyes, and carry on a conversation with you. That bond of love is incredibly strong, and even now, is one that will never be broken. I will always cherish the thrill of hearing him wish me 'Good luck, Mary' when I left. It brought me to tears, and I thank you for that moment in time. It was an honor and privilege to know you all, and I pray God's peace and comfort for you now. God bless,
Love, Mary
