“ Dear Grandma,  
There are many unanswered questions that will never be answered. Why we had such little time to spend with you before you past away. The last two weeks have been so hard on all of us and you were worried about everyone else. I let you know that everything was going to be OK. Grandpa will be fine. You worried about him more then anything. We all will miss you dearly. You are so LOVED by many people. No one will ever forget you. Just remember one day we will all be together in the lords hands. I love you grandma Rose and i will always be grateful for everything you have done for me. Please watch over all of us.  
love your granddaughter Bridget
