“ To the family of Rosie, "Tiny".....I have known Rosie for a number of years. As well as Tony. For such a small lady, she had a very big Heart. I am truly sorry for your loss, I am sure she is in a very special place for very special people. And she will always be remembered by all who had the pleasure of knowing her and her family.

“ Tony and family,  
My thoughts and prayers are with you all during this very difficult time. It is never easy losing a friend or a loved one, and losing a woman as great as Rosie makes it all the more difficult. There are no words to say that can fill the void she will leave behind, except that we will now have the best Angel in Heaven watching over and protecting all of us. I have been blessed to call her my friend for the past 26 years, even though she was more like family. RIP Rosie! You will be greatly missed.
