“ Dear Barney, I remember Rosemary when she worked at the courthouse when my dad was Sheriff. He was Sheriff in 1955, and Rosemary came there I think in 1961, I was 6 years old. I will never forget her, ever. She was so kind and nice to me when I was a little girl. I saw her every day, as when we were little we lived at the courthouse until we were 9, then moved to our home. So, even though we didn't live there, our family saw her all the time, there wasn't one day that went by me, that she never said hi, or want a sucker! She was always the happiest woman. I remember when my father passed away in 1967, she came up to me and gave me the loveliest hug, that I will never forget. She was so special, it meant so much to me, that she hugged me, I was so young and so scared, then her smile... I know you knew that, but I wanted you to know also. I am so sorry about your loss, and I am so sorry I didn't find out sooner, I live in Mn, and I found out on the news paper internet.. Please extend my condolences to the whole family. “ Dear Barney, Bob, Nancy, Kay & Family, Since I only have Rosemary's email address, I had sent you a message through there, hoping you would eventually receive it. I want to tell you how much I admired Rosie and her strong family ties. My memories of being in your home include great food, laughter, love, card games and craziness. Everything a family ever wants. Her recipes have reached far beyond your home, almost like one of her legacies. With sadness we offer you our love, Steve & Donna Muench (Keri's Parents)

“ Dear Barney, I was so very sorry to hear about your loss of Rosemary. It's so very hard loosing your spouse. I know that Mark Scott is up there right now giving her a real bad time and making her laugh. She always had a quick answer back to Mark. Next time I'm in Kingsford, I'll stop and visit with you.

“ Dear Barney, Kaye, Bob and families, I was shocked and saddened to hear about Rosemary's passing; she will be greatly missed. I wish I could be there in person to express my condolences, but due to the Michigan Senate is in session I have to be at work. Time does heal somewhat, and you have all those treasured memories of her that will be with you forever. I want to extend my deepest sympathies to every one of you, and I also want you and your families to know that you all will be in my thoughts and prayers this week. God's blessings to you.

“ *Dear Barney,*

As you go through this very sad time in your life, remember the wonderful love you and Rosemary shared for the Lord and each other. I talked to Rosemary when I was home for my nephew, David's funeral recently and I had no idea that would be the last time. Hopefully, I will be able to attend Rosemary's funeral to say a final good bye to her. She loved you so!

Love and prayers,

Donna
