“ Our thoughts, love, and sympathy go out to you Don and family on the loss of Rosemary. We will miss her friendly smile and warm fellowship. We have so many fond memories meeting together and were hoping that would be again soon - but it wasn't to be. You all will miss her so much but can be comforted her suffering is over and she is now at rest -and that she was living for this day.

“ My sweet grandma. I am heartbroken I loved her so much. She always believed in me and was one of my closest friends. We had a very special bond and she brought so much joy to my life. I would not be the woman I am today without her guidance, love, and encouragement. Selfishly I am heartbroken, tearful, and sad. In my heart I know she is with Jesus and what a glorious day no more pain, no more sadness, no more sorrow. I will miss you tremendously gram but until we see each other again bask in the glory of the Lord. I will keep my promise and take care of things down here! Love you gram.
