“ To Roy's family,

I am so sorry for your loss. When my twin girls were little, I took them for hair cuts from Roy. He was so good with children and they loved going to his barbershop. They got a ride on the chair as he spun it around and he always had a treat for them afterward. He knew my mother's family and told me stories of fishing with my uncle Bill Worley when they were young. Later when I taught at Woodland Elementary School, I would see him when he came for Veterans programs or to see Jamie in school programs. He always had a smile on his face. I remember how proud he was to take part in military functions. He was a very special man and loved his family very much. He will live on in the many special memories you have of happy times together.

“ Noleen, Laurie, Mike and family,

Our dearest memories of Roy are left by those whom he touched in the community and how much he loves his family. Our prayer is that these memories last for those he left behind here; and just long enough till we see him again. We share your sadness in the loss of a father during the holidays, but share the joy in his legacy that lives on. We will continue to pray for healing, understanding and peace in each of your hearts.

God Bless!!

“ *Noleen, and family,
What can we say. Roy was a great guy, always ready to have a picture taken. I think half of our wedding pictures were of Roy (more of him than the bride). We will always treasure the fond memories of Roy. May you also find comfort in the good times you had with him over the years. Our thoughts and prayers are with you now and always.

“ Noleen, Laurie and Mike.

God bless you Roy, you were the greatest neighbor a young kid could ask for. He was blessed in so many ways and shared those blessings with all of us. Although my mom never let Roy cut my hair she would allow me to visit our fine neighbor so he could tease and pester me. I loved it. Never will I forget his love for springer spaniels, his little baseball travels to watch Mike and my brother Nick play ball. Oh those huge brook trout he would catch, I still have pictures of those monsters. Roy even forgave me when I put a basketball through his garage door window. Roy you were loved and surely will be missed.

“ Dear Noleen: I was saddened to learn today of Roy's passing. My deepest condolences to you and your family. Living directly across the alley from each other in Breitung, he was a close boyhood friend throughout our school years in Roosevelt, Garden Village, and Kingsford High School. We enjoyed so many of the same things: boyhood sports, swimming in the Menominee, the Kingsford Flivvers, and the KHS Class of 1948. Roy, and his enthusiasm and positive outlook, will be greatly missed.
