“ To Pat, Tom, Susan and family;  
My sincere condolences in Hap's passing. He was an extraordinary man. I remember how people who knew him would smile and were always happy to see him. Hap had a way that drew almost instant respect even from total strangers. I guess that is called "recognizable character". I remember his quick wit and humor. I too was one of those that was always glad to see Hap. God bless his spirit, soul, friends and family.

Sincerely  
Gregg Ball
