“ Dear family,
It was such a surprise to me when I heard your mother had passed away. I understand how painful this must be for you.

Grandma Ruthie will be remembered for her warmth and kindness to everyone she met. She always had a smile, and a cup of coffee to greet you. I remember those warm summer afternoons when we used to sit in her backyard sipping our coffee. She was very special to me.

Please be comforted by the thought that many people hold fond memories of your mother. She touched all their lives.

To quote from Kahil Gibran - "When you are sorrowful, look into your heart, and you shall see that in truth you are weeping for that which has been your delight."

You know, we will always remain friends. It would be such a joy if you would call on me for any help you need. Until then, if there is anything I can do, please let me know.

My thoughts and prayers are with your family at this time.

*Yours truly,
Lacey*
