“ Sorry to hear of Ruth's passing. I remember going to her Drummond Island home as a child with my father and mother. Ruth and her twin sister would always play childhood games with me as our parents visited. A remembered time from my childhood. Condolences from myself and family.

“ *I was so very sorry to hear about Ruth's passing. I have very special memories of high school times with Brenda and spending weekends up in Felch at the house. “ *Holly and Family,*

Reading about Ruth Ann's passing has really shocked me, she was always such a loving and caring person.

I will always remember how she was always there for us during Mom and Gary's funerals, she would be the first one there bringing her food and helping with the lunch. I always enjoyed visiting with you both, our dear friends.

Please know that our thoughts and prayers are with you all during this most difficult time. God bless you all!
