“ *My sincere condolences to the family of Ruth Dashnier. Unable to attend services due to city tax tribunal meetings which I am mandated to attend as a councilwoman. Janet, do you remember me from Catholic School? I still have our 8th grade graduation picture. Didn't we have good times in those days? Now I have 9 grandchildren attending that school. I am so sorry about your Mom, Janet. My mom died a year and a half ago and I still miss her so much. She was a widow for many years, as was your Mom.*

“ *Janet -
Didn't mean to send off my message until I told you how very much I would have liked to see you Monday night. I will keep your Mom in my prayers - and all of her family who suffer her loss.
Hope life is treating you and all your family well.*
