

Ryan Charles Shaw

December 12, 1974 - August 7, 2024

Ryan Charles Shaw, 49, of Kingsford, was called home to God on Wednesday, August 7th, 2024. Ryan was the son of Charles (Sandy) Shaw and Siri Trumble.

Ryan entered the United States Army in February of 1996 after serving in the Army Reserves. During his 20 years of honorable service to his country, Ryan found his passion in the Army and achieved the rank of Sergeant First Class as a combat engineer. He served as a Platoon Sergeant, Sapper Instructor, and served in a prestigious engineer unit in the 82nd Airborne. He attended and completed some of the Army's most elite training, including Air Assault, Airborne, Sapper, Jumpmaster, and Ranger Schools. Ryan proudly defended his beloved country with multiple tours in Bosnia, Iraq, and Afghanistan. His valor in combat zones led to the award of various medals, including the Bronze Star Medal, Afghanistan Campaign Medal w/star, Iraq Campaign Medal w/ 2 stars, Army Commendation Medal (2nd award), Army Achievement Medal (3rd Award), NATO Medal (2nd Award), UN Medal and Army Superior Unit Award. Ryan's accomplishments were on full display while in uniform, wearing badges that signified his qualifications and expertise. He wore the Sapper Tab, Ranger Tab, Combat Action Badge, Pathfinder Badge, Senior Parachutist Badge, Air Assault Badge, and Drill Sergeant Identification Badge. His dedication to his profession and his country were unwavering.

While Ryan was a decorated soldier and master in his field, he was also one of the kindest, most caring souls. He cared deeply for his family and friends, consistently putting others before himself. He was a huge teddy bear who loved God, his family, his country, and his friends deeply. Ryan had a way of making you laugh with his quick wit and joking nature. He truly found his peace outdoors while hunting and fishing. Ryan always had a story about his outdoor adventures. Ryan's smile was brightest when he helped others succeed in life or when he made this world a better place, right up to the very end.

He is survived by his father, Charles (Sandy) Shaw of Florence, WI; his sister, Monica (Jim) Chartier of Iron Mountain; his brother, Dalbert (Dawn) Shaw of Arnold Air Force Base, TN; an uncle, Bernard Marcouiller of Lake Tomahawk, WI; 2 aunts, Wanda (Teck) Khor of Iron Mountain and Tina (Jeff) Dabb of Iron Mountain; nieces and nephews, Jacob, Tyler, James and Sam Chartier, Boomer, Hannah and Cameron Shaw; and many cousins.

He was preceded in death by his mother Siri Trumble, grandparents Harold and Wanda Trumble and Frederick and Frances Shaw, Aunt Pam Marcouiller, and Uncle Richard Trumble.

Visitation will be at Our Saviour's Lutheran Church in Iron Mountain on Saturday, August 31st, 2024, from 10:00 to 12:00 P.M. with funeral services immediately following at the church. Rev. Dr. Nicholas Hopman will officiate.

In lieu of flowers, donations may be made to the Wounded Warrior Project in memory of Ryan.

“ Man, he was one of the craziest (in a fun way) while on the trail together. We had many laughs and trained many Soldiers together. RIP battle; until Valhalla Brother!

“ It's been a while, but Ryan was in my company at Ft Jackson when he was a drill sergeant. He was one of my all time favorite NCOs. He liked to play hard outside of work, but he was always a consummate pro on the job. He was also easy and fun to talk to. He had my respect and that of the rest of the unit. He will be missed.

“ Ryan and I worked together for a few years and then, after military retirement, he visited me and my family. When he came to visit, he wanted to work on projects together, so during one visit we built a fence together. He was very thoughtful, always asking about me and my family. May his kind and gentle soul know the peace of eternal rest.

“ *I extend my condolences to Ryan Shaw's family. SFC Shaw was a team leader and squad leader of mine when we were stationed in the 307th Engineer Battalion, 82nd Airborne. He was a young, motivated leader who had recently graduated from the prestigious Ranger School. Shaw and I kept in contact throughout the years, and in the most recent times, we spoke about the Gospel message, and he shared his aspirations of wanting to teach the Bible. Shaw will be remembered for his passion and sense of humor. He was a take-charge kind of guy. Rest easy, brother, Airborne, All the Way!*

“ I was deeply shocked and saddened to hear of the passing of SFC Shaw on today. I would like to extend my sincere condolences to the Shaw Family. I was very fortunate to have served with him in 307th Engineer Battalion, 82nd Airborne Division, Fort Bragg and Home of the Combat Engineers, Fort Leonard Wood, MO, he was an hell of an NCO and motivator with his "Little Man in the Woods" exercise. I remember his enthusiastic and skillful support to the Engineer Family, He was a very kind and outgoing person that always willing to give his knowledge and make you laugh. SFC Shaw is gone, but never forgotten by his fellow brother from the Airborne/Sapper Community.

“ Really sad, to hear this he was a good man and a great leader. after Shaw got out, he called me about once a month for about 2 years and would always be drunk and wanting to talk about the one time I took the bolt out of his bed downrange over him pulling pranks on people in the talk. He was one hell of an NCO that left an impact on my life and will be missed.

“ Ryan was the epitome of a good Ranger buddy. He was always there when you needed him and you could ask him to do just about anything with the expectation he'd get it done. He was always in good spirits no matter the conditions —usually as goofy as a military minded professional could possibly be within the confines of good order and discipline. Ryan's good nature and sense of humor were just a couple of endearing qualities that gravitated hundreds of service members to him over the years, most of which he called friends. Condolences to his family. He'll be missed.

“ Remembering Ryan today as the farmer who came to visit, to help, and learn. And eat, boy could he eat! He loved helping his dad here on the farm, and I would watch them working over something, both in tune with each other, seeing just how much they were alike. Ryan truly loved his family, friends and even me, I wasn't his mom, but he treated me like one anyway. He's walking with the angels now, in Gods heaven. R.I.P.
