“ I am not sure if you remember me Chris, I worked with you at Burger King, many, many years ago. I read about your mothers passing in the Daily news and want you to know that I am deeply sorry and saddened. Your mother actually was going to chemo at the same time as my mom. I know how hard it is because I have taken my mom to chemo several times. Its very difficult to watch someone you love get weaker. I hold on to the thought of being together again and always hold in my heart the times we shared together. God Bless Chris.
