“ To the family of Sandy, I am so sorry to hear of Sandy's death and will keep all of you in thoughts and prayers. I graduated with Sandy and she was always a good friend even though I didn't see her often as I moved away from the area. I moved to Wi. several years ago and had several classmates including Sandy spend the weekend at my home for a wonderful fun time. I am so glad I had that special time to spend reminiscing and enjoying her company. She will be missed by all who knew her. May fond memories help ease your pain.
