“ So sorry to hear of Sandy's death. I missed the obituary, and am first seeing it now because of recognizing her on the photo. I had known Sandy under some other last name, (can't remember?), and I think she had twin daughters in the same class as my son, Tony, in Florence. I can't even remember how, or why, we met, but I do remember she was always very bubbly and friendly. My condolences to the families. May she rest in peace and make a speedy trip to Heaven, which is reported to be awesome and beyond our imagination.

Sincerely,
Mary L. Grabski
