“ *Dianna and family, I am so very sad to hear of the passing of not just your beautiful mother Sharon but her husband/your father Danny. What a wonderful couple they were. Your mom was a very dependable "baby sitter" when I needed someone to keep her eye on my daughter Diana (your friend DeeDee). Your dad was someone who made working at the hospital pleasant and was always willing to do projects for us in his well-equipped garage at home. God bless you all.*
