“ I have just learned of Sherry's passing & I send my heartfelt condolences to her family. I remember Erich & Henry when they were young, her two heartbeats. Ron was her love, she doted on him with everything she had. I love this woman. She was my boss and mentor when we worked at Phillips Street Group Home in Tyler, Texas. I learned so much from her & attribute my positive career choice from that moment on to her: working with the intellectually Developmental Disabled population. Sherry was the best caretaker of this population & the individuals she worked with remembered & spoke well of her years after she left. She & I would communicate by Facebook but I still missed her too. This kind, caring, natural, down to earth woman was one in a million & that's the way I will always remember her. Rest in peace my friend❤️❤️

“ I know Sherry from working with her at Maryhill Manor. We were both going to nursing school while we worked there. She was a great, compassionate, caring and wonderful nurse. She was also an awesome friend and coworker. She loved her family. She had a great personality and sense of humor. We shared lots of laughs together. She was always there for you. I have many wonderful memories together. Sherry was loved by everyone who knew her. She will be greatly missed. My prayers go out to her family. Lord be with them during this sad and difficult time. God bless.

“ Our deepest condolences to the family and friends of Sherry. I remember Sherry from our teen years, growing up in (Finn Town), Commonwealth, Florence, Wisconsin. I remember the horse back rides, or going over to her house to listen to George Maharis records. We both had a lot in common, mostly the eldest in a large family setting. Later we lost touch but somehow we managed to get in touch thru facebook. We didn't always see eye to eye but worked around those differences. I remember her keen sense of humor and her love for her family. May she rest in peace. Sandy and Charlie.

“ I was a person unknown to Sherry in 2018 and out of love she accepted me into her world and held back nothing to always give me a warm hug and a little humor in our messages. I have been truly blessed by her nice sweet caring ways. She was a person God put in my life to embrace me as a daughter. Thankyou Sherry.
