“ I was lucky enough to spend a lot of time with Shirley growing up. Cocktails and card games, I will never forget her laugh. My dad was always harassing her and she always gave it right back to him. I have great memories of her, I am so sorry for your loss, she was truly one of a kind.

“ For 20 years, Shirley was a fabulous neighbor and valued friend. Whenever I think of her, I'll remember her unique laugh; never-ending sense of humor; her love of blue; having rummage sales together where we usually ended up buying eachother's things; her beautiful flowers and immaculate yard, which included her daily ritual of raking the yard and sweeping the curb; but mainly just sharing so many wonderful times together. There will never be another individual quite like our dear Shirley.
