“ Lori and Bob and also to Jan and Rick,
I have many years of memories with mom/sister. I was glad I was able to help when she had that severe abcess and we beat it with six weeks of care. When we were picking knots from the dead pine trees many years ago and the red ants attack me and I was running across the field stripping my clothes to get the ants off. Looking back it must have been so funny, we were so young, about 9 or 10. Love to All and God always Bless You and Be With You and bring Healing. Nan

“ So sorry to hear the passing of Shirley's death. As a manager of the Strawberry Lake Apartments, shirley was always so kind and joyful to be around. She always seemed to care for others than for herself. She will always be remembered in my thoughts and prayers.
