“ *My deepest sympathy to Shutters' family.*

I remember Shutters taking pictures at our football & basketball games in the mid 1950s. He was always smiling and jovial. Everyone knew Shutters as he was always there getting the great shots of each event.

He was always very pleasant and seemed to know everyone's name. I am sure that he will be missed, not only by his family but by our community.

*Most Sincerely

“ We lived at 906 W. Hughitt St. from 1974 until 1996. I always enjoyed visiting with Shutters. In the Fall, our daughter and I would collect apples from under his apple trees to take to camp for the deer. After we moved, he would call and ask when I was coming over for the apples. It was a pleasure knowing him.

“ I talked to Shutters at my Mother's funeral in early 2004. He gave me a typed manuscript of his troop glider experience in WW II. Somehow he knew that I was a glider pilot and might be interested. Coincidentally I am currently reading a book about the troop glider program. Gary Aho, Iron Mountain High School Class of 1969

“ I send my thoughts and prayers to the Family and Friends who cared and loved Shutters, but especially to Margaret I want to say that I have watched the wonderful and dedicated love, care and devotion you gave to your Dad for many, many years and want you to know that I always thought that what you did for him was more than admirable. You were a wonderful daughter and FRIEND for your Dad. Know that you are in my thoughts and prayers in a very special way. And Mike, your care for your father-in-law has not gone unnoticed either.
