I am also a Facebook friend of Siri and she was our loved Sister that is deeply missed from my everyday life. She always added sunshine to my day and was always reminding me of the positive in the world and always brought me a smile with her posts. She was a very special lady to me and many others. There is a new Star in the Heavens now to watch over us all as she did while she was with us. Love and Miss you Siri.

My condolences to all her family that I know she adored and loved with all her heart.

Well I never had the pleasure of meeting your beloved mother Monica, I know that she must have been a pretty amazing woman because she raised you. My heart goes out to you and your entire family on the loss of your beloved mother. She is now resting in the arms of Jesus and she is no longer in any pain. May God bless you and bring you the comfort he has brought me these past nine years. Hugs, Bobbie Samme'
