

Steve Marble

July 2, 1955 - February 12, 2025

Steve Marble, 69, of Quinnesec, MI, passed away at home on February 12, 2025, being cared for by his wife and girls along with Hospice from the UP Health System. He was born in International Falls, MN, on July 2, 1955 to Barbara and Lewis Marble of Ray, MN.

Steve was married to Patricia Baldwin for over 48 years. They lived in International Falls until the Insulite Division of Boise Cascade closed. He then accepted a maintenance technician job at the new Champion Mill in Quinnesec where he was employed for over 25 years. He was also a carpenter and built his family two homes. Steve had a love for fast cars and rock music. He adored his grandchildren and enjoyed maintaining their snowmobiles and ATVs. If not in his shop, he could be found inside with a good book. As a talented pianist with perfect pitch, music flowed from Steve's soul.

Steve is survived by his wife Patti and their two daughters, Jean (Kyle) Lein and Sara (Sam) Galvin, and his mother Barbara Marble and brother Rod (Char) Marble. He has five grandchildren, Asher Lein, Livie Lein, Griffin Lein, Amelia Galvin and Lincoln Galvin. He leaves behind many extended family members and his closest friends.

He was preceded in death by his father, Lewis Marble, a brother Kevin and his

wife Joyce Marble, and his in-laws Arnold and Helen Baldwin.

Visitation will be at the Erickson-Rochon & Nash Funeral Home, 901 Carpenter Ave., from 3-5 pm on Thursday, Feb. 20, 2025, with Pastor Kevin Taylor from Marquette officiating the funeral service at 5 pm. Burial will be in International Falls, MN.

“ Patti,girls,and family's,I just heard about Steve today and it breaks my heart.Steve was one of my best friends growing up in Ray,more a brother than a friend!Our family's did a lot together,from trick or treating,going to their cabin,meals together,swimming on Lake Kabetogama and just being friends!I remember his horse Hotfoot,who I rode while his dog Happy chased him and the saddle slipped around and I found myself on the ground!I will never forget this,while Steve stood there laughing!Steve and his 3 best friends in Ray grade school would make up their own language that I couldn't understand(that was the point I guess)it made me frustrated!😞 I always knew he was there but now he's gone but never forgotten!He was a very talented piano player and would play in church with jazzed up version of the hymn which I was grateful for!He could play the accordion with enthusiasm too!Glad I got to see him and Patti at or 50th class reunion!! am so sorry for your loss,Steve is probably making music in heaven now!Take care of each other now!! will miss you Steve,my brother!

“ I was so sorry to hear of Steve’s passing. We were child hood friends, as well as neighbors back in Ray, MN, going through the grade school in Ray and onto school in International Falls, graduating in the Class of 1973! He was a great kid and always had such a beautiful smile! My deepest sympathy to his family and friends, may he now soar with the Eagles! God Speed Steve.

“ Patty and family. I am very sorry to hear of Steve’s passing. He was a very dear friend that all that knew and loved him will deeply miss. He was the very first apprentice that I had when we worked together at Boise and we always made the jobs we worked on a good time. I still remember when you two first started dating and how nervous he was that you wouldn’t go out with him. Needless to say, he was smitten.

All the best to you and your family and I will always cherish the memories that I have of him and you.

One of my memories of Steve is when he played piano. I loved listening to him and watch his joy in playing. I also witnessed his love for Patti in the beginning of your marriage. With deep heartfelt condolences

“ Steve & I got to be friends in first grade. I had invited him for a sleepover, as kids do we were talking before going to bed & I told him that I had Polar bears under my bed. That didn't go over very well as he got scared & called his Mom to come & get him. Still remember it like it was yesterday but it was 63 years ago. Gonna miss you buddy.
