“ Dear Romaker family,

You are all in our thoughts and prayers. We are so sad to hear of Steve's passing. We were just talking about our good times together when we were younger! There was a poster in our parent's cottage that Steve gave to them, it said "Please do go on with your story....." and it was referred to every time we played euchre.

God's Blessings on you all!!

“ *I remember the first time I met my brother-in-law he came down to Ohio to visit mom and dad and the rest of the family. Steve came out to see ken they had been visiting a few hours before I arrived home, when I came in the door I didn't see Steve right away I was just talking away to ken. Then suddenly it got quiet they both chuckle and then Ken introduces Steve this is my brother, I could have just died from embarrassment. Instead I walked toward Steve to say hello and shake his hand as he walked toward me, but when our hands met Steve said hey wait a minutiae your my sister in law and gave me a hug that was as genuine and robust as he. I felt like he approved he made me feel welcome. Then we all had a good visit together!*

Thanks Steve I love you and I will always keep that memory.

“ Jan, Jason and Josh,
Words can't express my heartfelt sympathies to you and your family, I am so sorry for your loss. I was blessed to get to know Steve as a co-worker and friend. He was a man of integrity, passion and filled with such a deep love and appreciation for his family. It didn't take long to see his wife, sons and grandchildren were "his world". I enjoyed his stories about camping with the boys when they were little and then the grandkids, the adventures he experienced when riding the Harley or the side-by-side, his experience perfecting his homemade pizza with Jan and the fun and tranquility "camp" provided him on Lake Superior. He definitely lead by example to leave an amazing legacy for his boys to carry on. I pray the memories you have shared will provide you the comfort you need during this difficult time. My thoughts and prayers are with you and your family. Angela

So sorry to hear of your loss. I had met Steve only once, at Jessica's funeral, so I did not know him well. I know that you two were great companions and enjoyed your time together to the fullest. May our thoughts & prayers help sustain you through this sorrowful time.
