“ *What a beautiful picture of my cousin Sue with her sweet smile and kind eyes. I have such wonderful memories of the times we visited her family in Iron Mountain. When Sue took me and my little sister to the drive in for hamburgs and fries, we thought she was the prettiest, coolest teenager ever! I'm glad we had a chance to see her 3 years ago at my niece's wedding. She was exactly the same. Sending love and prayers of comfort to her family.*

“ *Sue was a special person with a kind heart. She had a terrific memory & would tell me stories from way back that I barely remembered. So sorry I can not be there to celebrate her life with you. Your whole family (as well as myself) will miss her very much.*

“ *Sue was one of the warmest, kindest people I have ever met. She accepted everyone for who they were, never judging. Sue truly epitomized “love your neighbor as you love yourself.”*

“ I will always remember Sue for how much she cared about people, and wanting to be sure they felt valued. I remember a gift she sent me, A tape dispenser. It may not seem like much, but it made things easier for me.

*I wrote a thank you card, of course. It was such a thoughtful gift. I have always been flattered that Sue took an interest in Jayna's circle of friends. To top it all off, Sue sent me a "You're Welcome" note. Now, virtually all of my correspondence carries Sue's loving touch.*

“ I will forever remember Sue for her manners, for her gentle voice, for her instinct to take care of her daughter's friends, for her love of and interest in my children, and for keen sense of the value of a dollar. My love to all of you an this incredibly sad time. I wish we could be with you to celebrate her life.
