

Susan "Susie" Backlund

November 14, 1951 - September 17, 2020

Susan "Susie" Backlund, 68, of Kingsford passed away peacefully on Thursday, September 17, at Evergreen Assisted Living Center. Her passing marked the end of a 15-year struggle with Early Onset Alzheimer's Disease.

Susie was born in Iron Mountain on November 14, 1951, the daughter of Robert and Shirley (Johnson) Menghini. She graduated from Kingsford High School in 1969 and attended Central Michigan University and Northern Michigan University, earning a Master's Degree. She married Wayne Backlund on December 28, 1974 at the St. Mary Queen of Peace Catholic Church in Kingsford. She gave birth to her only child, Robert, on April 22, 1982. Susie was an elementary educator for over three decades, devoting her energy and expertise to the most vulnerable students. She spent the majority of her career in the Homer (Michigan) Community Schools, retiring in June of 2006. A former student summed up Susie's professional, personal and pedagogical prowess the best:

"Mrs. Backlund has helped me with my disability and I know I wouldn't be who I am today without her assistance. She was my most influential teacher and my goal is to become a social worker where I can help kids the same way that Mrs. Backlund helped me...because if it wasn't for her I would have failed at a lot of things."

Susie lived life with passion, zest and a personality that was infectious. She loved her family and had an uncanny ability to humbly boast about them. She loved to shop and was known to travel far and wide in search of sales and antique treasures. Her laugh was contagious. She was creative and had a knack for seasonal decorating that could make Martha Stewart jealous. She was stubborn and one knew where she stood on an issue. She loved to ski. Susie was a paragon for living life with gratitude, often reminding her family of how “lucky” they were. Manners mattered. “Please” and “thank you” were foundational to her vocabulary. Family consensus was that she might have been wrong once; however, this will need to be confirmed or debated with her at a later date. Even in the face of a terminal illness she demonstrated the utmost courage to live, love, laugh and navigate the unknown darkness with kindness and light.

Susie is survived by her husband, Wayne; a son, Robert Backlund and daughter-in-law, Meredith Niles, both of Lincoln, VT; two sisters, Joan (Larry) Swartout of Iron Mountain, MI and Kris Deckett of Tawas City, MI; a granddaughter, Suvi Backlund-Niles; a brother-in-law Jim (Mary) Backlund; and six nephews, Tom Swartout, Andrew Swartout, Alex Swartout, David Deckett, Zach Backlund, and Max Backlund.

Along with her parents, Susie was preceded in death by her in-laws, Adolph “Pusty” and Rena Backlund.

A private memorial service will be held later this week. A public celebration of Susie’s life will take place in the summer of 2021, assuming that it can be done safely in light of Covid-19.

The Backlunds want to extend their deepest gratitude to family, friends and community members who helped them navigate the challenges of Alzheimer’s Disease. No gesture of support, help and kindness went unnoticed over the

years. We especially want to extend our appreciation to our heroes and Susie's "angels" at Evergreen Assisted Living Center for taking care of any and all of her needs day in and out over the last few years. Your tireless efforts helped provide solace for a family trying to manage complicated loss and grief.

In lieu of flowers, Susie's family requests that you consider carrying out the following actions with her spirit and passion for life in mind:

Being kinder than necessary to ALL – even if your political views differ
(imagine that)

A phone call to a family member or friend

Voting for elected leaders who support public schools, teachers and equitable education for all students, especially those with special needs

Reaching out to a family that is facing Alzheimer's Disease or another neuro-degenerative disorder and asking not "if" they need help, but "how" you can help.

A donation to the Greater Michigan Chapter of the Alzheimer's Association (www.alz.org/gmc) in Susie's honor

Stories and memories of Susan "Susie" Backlund may be expressed online at www.ernashfuneralhomes.com

The family has entrusted the Erickson-Rochon & Nash Funeral Home with the arrangements.

“ I have fond memories of Susan’s infectious smile and laughter. She was so full of life and a great teacher at Homer Middle School. My daughters Emily and Amy are both dedicated teachers. I think Susan’s example was influential in their career choices.

As a parent and school board member at Homer, I appreciated Susan and her wonderful way with students.

I am so sorry for your loss and for the heartbreaking Alzheimer disease, which robbed her of so many good years.

*Sincerely,
Mary Althaver*

“ Dear Wayne, Rob and family,
I am saddened to learn of Susie's passing. You are in my thoughts and prayers. Susie packed an amazing amount of memories into her 68 years. She touched many lives for the better and gathered many friends along the way.
I am sharing two fond memories of our time on the Flivver Flash. We worked together for two years producing that monthly newsletter. In the summer of 1968 Susie and I were given scholarships to attend a two week journalism seminar at the University of Michigan in Ann Arbor. There weren't too many opportunities for 16 and 17 year old girls to be on college campuses "in the day". It was an adventure, an experience of a lifetime! She smiled, even when we navigated Detroit Metro Airport alone for the flight home!
The second is of the yearly Flivver Flash banquet in the Spring of her senior year 1969. The photo is of the head table; Larry Waisanen, editor-in-chief, Mrs. Ruth Carlson, advisor, Susie Menghini, senior editor and Bill Butsic, sports editor. Susie made everything we did together fun!
Heaven is a little brighter because Susie is there!

“ Dear Wayne, Rob, Meredith and Suki,
Pam and I are so sorry to hear of Susie's passing. What a bright light she was in everyone's life. Susie never wanted to talk about herself but was always so interested in how you were doing! We surely miss our dinners after our "growth opportunities" for The Fountain Clinic. Though we are sure that Susie has been cared for with compassionate hands, know that now she is certainly being held in the most caring hands of all in heaven! Rest in peace Susie and our thoughts are with you Wayne and family.

“ Wayne and Rob:

My condolences on Susie's passing. She was one of the first people I met when I started teaching in Homer. I still remember hearing her unmistakable yoooper accent coming from the classroom next to mine in Fletcher Elementary. Later I had the good fortune to co-teach fifth grade English with her for several years at Homer Middle School. It would be difficult to find someone who cared more about her students than Susie. She was the best. Thoughts and prayers to you and your family.

“ Wayne, Rob, Meredith and family, we are saddened by the loss of our dear Susie, but know that her suffering is over.

Susie was a bright, happy person who loved life. She cared for her family and cared deeply for them. Susie was a willing volunteer. When the newly formed Marshall Soccer Club needed help, she was right there. She sold concessions, raffles and clothing sales.

We had the privilege of enjoying trips with Susie and Wayne.

Susie, we will always remember you!

Our deepest sympathy to her family. Much love, Ron & Ann
