“ Regan,

I am sorry to hear about the loss of your mother. While I didn't know her, reading about her makes me wish I had. She sounds like a very caring and generous woman. I hope you, your dad and your brother can remember all the good times you had with her. Know that she is in a better place now. A place where there is no pain, no suffering, and nothing but God's love surrounding her. I will pray extra hard for peace and healing for you and your family. Let me know if there is anything I can do.

*You are in my prayers,
Kristin*

“ *Ted, boys and the entire Milligan family - We were so sorry to hear about Susy passing away, you are all in our thoughts and prayers. I will always cherish the fantastic memories of Susy, we had so much fun together. Susy had the biggest heart of anyone I knew, even with everything she was facing these past couple of years, every time I talked to her she always seemed more concerned with my health issues, and offering to help me in any way she could. She was amazing. I am so thankful that she was a part of my life, and will always be.*

“ *It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.*

So sorry for the loss of your wife, mother, sister and friend.

“ *Regan and family,*

We were all very sad to hear of your mothers passing. Andy mentioned the time your mother came to one of the West De Pere baseball games that you were coaching and how excited you were. Those are the type of things that will live on forever. Though we did not know your mother she sure sounds like one great lady and she sure did a wonderful job of raising a son who always puts other first. You know you have many people here in West De Pere who have you in their thoughts and prayers. We are very sorry that we cannot be there, but remember we are thinking of you.

“ Sorry about the typo...obviously I meant Susy would WANT You to smile when you think of her...and I will...do that everytime I look at a ball field...or go to Kohls (where I seemed to always run in to her)

She would NOT Want you to be Sad for her...

Thought I should correct myself...sorry...

“ Teddy, Garth & Regan,

We are just sick about Susy...I know you will miss her horribly. She was a great Mother, Wife & Friend...she was just plain great to be around and no one will ever forget her bubbly personality and how her smile lit up a room.

Jeff & I feel horrible that we can't make it to her service. We need to leave for Detroit by 7 AM to make it for a Graduation Event for Brad. If it wasn't a trip for one of my kids we would certainly be there.

Please accept our heartfelt condolences...Hugs to you all. We are blessed to have been able to spend time with her and share many laughs. I know you all have alot of great memories and I hope they help you through this difficult time. Susy would not want you to smile when you think of her. I know I will.

“ Dear Ted, Garth and Reagan,
It is with great sadness at Suzie's passing that I have to send a note, as we are too far away at this time. I've had such wonderful memories of how much she cared about her children's schooling and the love she had for them and Ted. Needless to say, she has wonderful sons and husband. How proud she was, understandably. She has left a legacy of strength and determination to be admired. Our deepest sympathy to you all.

“ Whenever I ran into Suzy @ her Dr. appointments we talked. I would always ask her, "How are you doing Suzy." Her answer was, "No, how are YOU doing Madge?" She truly cared about others while she was the one suffering.
I will miss seeing her, but I am thankful her suffering is done. God will take care of her now.
May you rest in peace Suzy. Until we meet again, Madge
