“ Sue was a staff nurse on my Orthopedic/Urology ward at the VAMC. She was a loving, kind, thoughtful person and a joy to work with. She took her work very seriously and was very professional. Her sense of humor and friendship was a bright spot in hectic days. I was saddened to read of her death at such a young age, My sympathy to her family....Rest in Peace, Sue!

“ Andy,

There are no words to express the love that you have for your mother. You have shown what true love and support really is when a mother needs you most.

Hold on to all those special memories that you have and they will carry you throughout your lifetime. Your mother will never leave your side.

Please know that we will be by your side every step of the way as you get through this difficult time in your life. Your mom was a very strong and willful woman and it shows in all that you do.

Love from all,

Roland and Rhonda
