“ True well wishes from her family would have to have included checking in on her son, who lost both of his parents at an early age, and is going through a lot on his own. He was a sweet young man and had a rough childhood I sometimes saw up close.

Apparently no one from her family bothered to check in on him after an entire year since Suzi's passing. This is something that would have saddened her but not surprised her.

In honor of Suzi, I am thinking of John, and hoping for his peace.

“ *Suzie has the best giggle and she was always smiling
My mom and I always chatted with her at shopko at the eye place
Last time I talked to her was on the phone a few years back when I
ran into Doug and he called her and I talked to her.
I always remember she came to Laura Kopps Halloween party and
dressed as a genie I think
She was so dang cute
Prayers to her family*
